THIRUVALLA BRANCH

DIRECTORY 2021

President Message

Dear Friends,

The Global Covid 19 Pandemic brought pain and loss to many of us. But even though it has changed our lives ,we have made it to the end of a difficult year.2020 was the year of online activities. Launch of our first E Journal and Webinars kept us connected during the pandemic.

Moving a step forward, It gives me immense pleasure to present to you this E Photo directory of all our members. The strength of any branch is its members.Our members are spread over a vast area.This photo directory is a comprehensive one which I am sure will bring us closer as one big family.

I thank all the members for their whole hearted support in making this E Photo directory a reality.

Thanking you

Dr. Simon George

President

IDA Thiruvalla

Secretary Message

Dear friends

It is heartening to learn that the revised edition and the first e-directory of our branch has been compiled.

It encompasses the name's and contact details of the cross section of all members of our branch.

The young generation of the profession would get the opportunity of acquainting themselves with the veterans of yester years.

It is more a galaxy which will extend to have dazzling stars rising from horizon, it needs to be updated time and again to accommodate more members in the years to come.

I honestly acknowledge every help of the members in providing the necessary information and data for preparing such an essential update and also would like to appreciate the president, editorial board and executive committee for all their efforts in making this venture a success.

Thanking you

Yours in IDA,

Dr Thomas Jacob

Hon: Secretary
Thiruvalla branch
